## Microbreweries March 2010 Co-op

**Recreation News** will produce a feature on microbreweries and brew pubs in its March 2010 edition. The feature will include a travel-oriented story highlighting microbreweries and brew pubs in the Mid-Atlantic, photographs, and an affordable advertising section. *Recreation News* is the largest monthly travel, recreation, and leisure newspaper in the Mid-Atlantic region. Our 100,000 subscribers and quarter-million readers each month are largely recession-proof upper level government workers in the Washington/Northern Virginia/Baltimore area. They have average incomes of \$92,500 and an average of 47 days off per year, not including weekends. We want to bring them to your microbrewery or brew pub!
